

Foursquare Film About Missions To Be Screened

"So Proudly We Hail" one of the most challenging and thrilling of the Missionary pictures produced by the International Church of the Foursquare Gospel, will be shown on Sunday at The Prairie Avenue Church at 18098 Prairie Ave., at 7 p.m.

It is not only an exciting travelogue, taking the viewers to the Foursquare mission stations throughout the world, but it also emphasizes the work from the standpoint of home missions showing some of the outstanding and beautiful churches in the United States.

THIS film shows the Foursquare missionaries ministering to 'man eating' cannibals of the Islands of New Guinea, the superstitious natives in the darkness of Nigeria, the wild headhunters of the Philippines, the unreached natives of the 'Green Hell' country of

Bolivia, South America, the unreached Choco Indians in the Darien, the 'Red Blanket' tribes in the Transkei of South Africa, the teeming millions of China's refugees and Japan's unreached multitudes.

Two of the films released in the past three years have won Christian "Oscars" in the dramatic field and one received special recognition at the Winoona Lake Film Festival.

New Classes For Mothers To Open Here

A class for expectant mothers who wish to learn the latest health information about their unborn child, pregnancy, childbirth, and the care of the newborn infant will begin Thursday, Feb. 23, at 1 p.m. at the Torrance Health Center, 2300 W. Carson St., announced Dr. B. A. Kogan, District Health Officer, Los Angeles County Health Department.

The class will be conducted in seven sessions by Mrs. Janice Mendoza, Public Health Nurse. This educational service of the Department is planned to help parents meet the physical and emotional needs of the infant and growing child.

How the baby grows before birth will be discussed at the first session. A film, "Human Growth," will also be shown.

Other films planned for later sessions include "Labor and Delivery," "Normal Birth" and "Spock's Baby and Child Care."

Formula preparation and baby bath demonstrations are also planned for future classes.
